WEDDINGS

POLLEY — GARRETT

A pretty and graceful wedding was solemnized in the United Church, Strathmore Saturday evening when Miss Alice Garrett, second daughter of Mr. and Mrs. M. B. Garrett, pioneer family of Strathmore, and Sgt. Pilot Arthur B. Polley only son of Mr. and Mrs. B. Polley of Calgary, were united in marriage. Rev. S. R. Hunt was the officiating clergyman.

The church was artistically decorated with Sunset Spray Mums, in silver baskets, their color being set off by a profusion of pretty house plants. White Cathedral tapers lent their pretty glow.

To the strains of Lohengrin's Wedding March played by the bride's sister Mrs. Earl Gillespie, the bridal party proceeded up the aisle to join the groom waiting at the altar.

The bride made a very winsome picture in her white bridal attire. The fitted bodice was made of lace with puffed sleeve and a floor length bouffant skirt of chiffon over white silk. With this she wore a long veil of Belgian lace, lace mitts and carried a bouquet of Talisman roses and bouvardia. The bridesmaids, Miss Jean Garrett and Miss Mary Polley, sisters of the bride and groom, wore floor length gowns cut on similar lines. Miss Garrett's being in peach shade and Miss Polley's in turquoise. Both carried colonial bouquets of roses bouvardia and carnations, and each wore small rose buds in their hair.

Mr. Polley was supported by Mr. Richards of Calgary as best man. During intervals at the church, Mrs. Walter Mercer sang in very effective voice, I Love You Truly and Because. Following the church ceremony, the wedding party and guests numbering about fifty repaired to the home of the bride's parents, where the reception was held and collections were extended. Receiving with the bride and groom were Mr. and Mrs. Garrett and Mr. and Mrs. Polley.

The toast to the bride was happily proposed by Rev. S. R. Hunt, and aptly responded to by the groom. In the early evening, the young couple left for Calgary, the bride wearing a chocolate brown wool dress with matching accessories, and top coat of camel hair.

They left Tuesday for Trenton, Ontario, where the groom will continue his air training.

AN INTERESTING PLAQUE

A souvenir plaque of the defeat of Napoleon's "Grand Armee" by the Russians in the retreat from Moscow 129 years ago which is in a Winnipeg collection is believed to be the only one in North America.

LOST—IN STRATHMORE, WEDNESDAY NIGHT, NAVY BLUE KID PUSE, CONTAINING VALUABLE BUSINESS PAPERS. REWARD OFFERED FOR RETURN TO STANDARD OFFICE, Phone 17.

Pioneer Business Changes Hands

Citizens of Strathmore and District will welcome to our midst Mr. and Mrs. E. F. Thurston and son Robert who have arrived in town from Wainwright, Alta. Mr. Thurston has purchased the business of The Lambert Drug Store and will continue to carry on an up-to-date Drug business.

In the passing of the Lambert name from Strathmore's list of business firms, one's thoughts travel back in retrospect to the early days when Strathmore was a much smaller and less established town than it is today. Mr. and Mrs. Lambert with their young family of one daughter and

two sons arrived in Strathmore from England in August 1907, and settled in the house which is now occupied by their son Cecil and family. Here Mr. Lambert opened up his first Drug business, some years later moving over to the present location.

It is impossible to evaluate the cultural and all round beneficial influence Mr. and Mrs. Lambert exerted on the early life of Strathmore.

Mr. Lambert was an highly accomplished musician and was for many years organist and choir leader in St. Michael's Church, and it is due to the high standard he established that Strathmore's reputation as a musical center of no mean calibre, was founded.

In the Who's Who of The Standard's anniversary number of 1939, appears the following—

"Lambert, E. W. R. Mr. and Family—Pioneer Druggist. Early showed faith in Strathmore by building in 1909 the largest store in town."

"A man of sterling character. First Mayor of town. First Justice of Peace. All old timers remember the thrill when Mr. and Mrs. Lambert gave their Annual Mayor's Ball."

As a tribute to Mr. and Mrs. Lambert the Park was named in their honor and since about 1926 has been known as Lambert Park.

Following Mr. Lambert's retirement the business was carried on by his younger son Arthur who made a brilliant record in his pharmacy course at Alberta University.

At the outbreak of war Arthur felt impelled to join His Majesty's Forces and is now stationed at Brandon, Manitoba, for further training.

Thus has come about the change in Strathmore's Main Street. We hold in deepest respect and gratitude the influence of the Lambert Family, while at the same time welcoming warmly Mr. and Mrs. Thurston and son to our Town.

Mrs. Arthur Lambert and children will reside with her parents Mr. and Mrs. Barber for the present.

Mr. and Mrs. Thurston will reside in the apartments back of the store.

—Calgary Herald.

LIONS' LADIES NIGHT

As is usual a jolly evening was enjoyed by all when the Lions invited their Lionesses friends to partake of their hospitality and enjoy a happy social evening together. Lion President Dr. Giffen presided in his usual happy manner.

The program comprised the following numbers—O Canada; Grace; Dinner; Toast to the King; Community Singing; Toast to the Ladies, by Lion A. Hay; Response by Mrs. Lesie Pearson; Toast to the Guests, by Lion George Anderson; Response by Lion E. Summerville, Calgary.

George Anderson was in very happy mood in proposing the toast to Our Guests.

The guests included, Lion and Mrs. E. Summerville, Miss Marion Summerville and Miss Dorothy Ward, of Calgary; Mrs. Hilton, Sr. of Nightingale, Constable and Mrs. Cliff Rawshorne, Lola Cleve and Gerry Robison.

Misses Summerville and Ward as Drum Majorettes, gave a very amusing number, twirling their batons in true military style.

Miss Summerville danced the Highland Fling and both girls gave tap dancing numbers, all of which were cleverly rendered and duly appreciated by the audience. Lion Walter Mercer presented the young ladies with choice boxes of chocolates at the same time tendering the thanks of all present for their generous entertainment.

Lion Art Hay in proposing the toast to the ladies in addition to the usual eulogistic comments stressed the part the ladies are playing in this present conflict in their Red Cross work, parcels for prisoners of war, etc. etc. Mrs. Pearson aptly responded.

Following the program an informal dance was arranged.

COMING EVENTS

Tombola and Chicken Supper under auspices of Sacred Heart Church, in the Memorial Hall, Wednesday, Oct. 23rd, commencing at 5.30 p.m. Every one welcome.

R.A.F. Orchestra. Supper 40c & 25c

THE 'OUT-SIDE'

● In an area of 6,094 square miles just south and east of Lake Winnipeg there are 3,000 lakes.

● Tobacco Crop in 1941—The first estimate of Canadian tobacco production in 1941 shows a total of 74,875,700 pounds, or 13,739,600 pounds more than in 1940. The 1941 crop was produced on 69,140 acres. There is only a small carry-over into the new crop year of unsold tobacco from the 1940 crop and the marketing outlook for all types is favourable. Arrangements have been made with the United Kingdom Board of Trade for the shipment to Britain of eight million pounds of unmanufactured Canadian tobacco.

● While Drumbeller miners are threatening a protest strike unless all the members of the local hospital board, except T. Mackie, are ousted, Hon. Dr. W. W. Cross, Alberta minister of health and relief said an investigation will be made if such is requested.

● The tricks of autograph hunters to snare their victims are many and peculiar points out W. Orton Twegen in his column in the Ottawa Journal. One of the most ingenious was that employed by a young man to hoodwink Charles Dickens, when the novelist was visiting Canada in 1842. It was no easy matter to secure Dickens' autograph, but the young man succeeded by a trick.

He wrote this epistle—
"Mr Dickens, sir—Me and my wife's got a boy, and we've a heap tell a great deal about the beautiful books you've a writ, and the good you've a tried to do for us pore folks. Now we has a-bote that it mite so be that you mite give your name to our boy. Us is no scollards, and we hope that, as wages is good and learning is plenty, that we will some day read what you've a writ. An' so, sir, we asks you're pardin' and wishes you prosper an' good luck. So no more at prent, from your humble servants to command.—There XX Marks."

"ANDREW H—"

"MARY H—"

Which brought this reply—
"Dear Sir— I am much indebted to you for your gratifying and welcome letter, and am proud to know that you have conferred my name on your child in recollection of my writings. That he may become all you wish him to be, and that he may in his time derive some entertainment and instruction from my poor endeavors to beguile the leisure time of children of larger growth is my sincere and earnest wish. If I could ever learn that I had happily been the means of awakening within him any new love of his fellow-creatures, and desire to help and assist them with his sympathy, I should feel much pleasure from the knowledge. Believe me, faithfully yours, "CHARLES DICKENS."

RURAL MECHANICAL COURSES FOR FARM BOYS

Farm boys between the ages of 16 and 30 who live in the Gleichen area have a wonderful opportunity to improve their knowledge of farm motors, farm machinery, blacksmithing and carpentry by attending the Rural Mechanical Course to be held in Gleichen from November 10th to December 20th, under the Dominion-Provincial Youth Training Programme. Conducted under the Extension Service, Department of Agriculture, this school will provide instruction and training in subjects relating to agricultural engineering.

Agriculture in Western Canada is becoming more mechanized and there

is a greater need for the individual farm operator to understand the adjustment and care of the various pieces of farm machinery he is using. The efficient operator must also be in a position to do ordinary farm blacksmithing and should have a general knowledge of wood and farm carpentry. The purpose of the Rural Mechanical Course is to provide just this information and instruction. It is not intended to make experts out of the young men who attend, but it will give them the basic principles underlying the care and operation of farm motors and the farm machinery ordinarily used in the district. Blacksmith-

ing is a trade in itself which takes years to learn, but with a few weeks practice under expert guidance, almost anyone can learn to do simple blacksmithing. Some knowledge of carpentry is also most useful on the farm. Instruction in general agriculture will also be given by competent authorities.

Boys attending the course will live in town or at home; they may stay at home and drive to school in the mornings and back in the evening. Financial assistance, is available in necessary circumstances. Shops will be fitted up with modern tools and competent instructors will be on hand.

ROCKYFORD

— By M. E. —

The last week of good weather has done much to see the harvest; drawing to a close. Many have completed the year's operations and t'e continued dry spell is helping the balance.

Mr and Mrs Frank Dunsmore arrived home on Wednesday last with their baby daughter Nina Kathleen. Both mother and daughter are doing well. Everyone was glad to know Mrs Rolis was sufficiently recovered from her recent operation to return home last week.

Anniversary services of the United Church in Rockyford on Sunday, Oct. 26th, when Rev. Moss of Drumheller will conduct both morning and evening service. On the Monday evening the ladies of the congregation will serve a fitney supper, in the church basement, with a musical concert and lecture after.

Friends of Mrs T. Birt were sorry to hear she is in the Hospital in Calgary. They wish her a speedy recovery from her recent operation.

Mr and Mrs Otis Allen spent Monday in Calgary the occasion being the 8th anniversary of their wedding.

Once a year integrity of coins turned out at the Ottawa mint is checked by three assay commissioners.

VEERING VERTICALLY

FOREWORD—Any of our readers familiar with the Drumheller Mail, know the column that has run in this paper for some years. We've always liked it. Now admittedly, we're copying it. . . . the idea that is, not the column. While we've often felt that it was a darned nuisance, still we've generally read through it.

A well known
medical journal
has an article on
"How to Lie When Asleep?"
This may be implying
that we don't
need any pointers
on how to do it
while we're awake.
That silly grin on our face
got there just because we
happened to be standing
beside a lady
in a store two days ago when she
ordered a tin of
cockeyed salmon.
It sounded as if someone
had made a sockeye mistake
or something.
The Ottawa Journal
lists high on its roll
of pests
those "who write
pontifically
about the problems
of reconstruction after
the war." As
The Journal says,
this stuff can be dangerous,
constituting a sort
of anaesthetic
for people disinclined
to face facts.
It is the height
of common sense
to put out the fire before
consulting architects and
decorators
on the subject of
remodelling.

Under The Street Lamp

by P. E. (Pat) O'Hoolley

The motion picture story of the week concerns a producer who has recently imported an alien star. "She's a nice girl," he announced, and I'm gonna love her English."

Mr. MacKenzie: "Define courtship." Leonard Wheeler: "A man running after a woman until she catches him."

French sentry: "Halt! Who goes there?"

Voice: "Canadian."

Sentry: "Advance and recite 'O Canada.'"

Voice: "I don't know it."

Sentry: "Pass, Canadian."

D. A. Perry: "This typewriter is no good to me. It doesn't spell a bit better than I do."

Mr. Crowther: "Why did you spell pneumatic 'neumatic'?"

Doris Koch: "The 'K' on my typewriter isn't working."

Kate Reifinger claims that one man's meat is another man's poison and your telephone is another man's wrong number.

DALEMEAD

D. V. V.

Mrs. C. Colwell gave a tea in honor of Mrs. D. and Mrs. N. Slack. We understand they will have a sale of household goods and some machinery sometime this week. They will be leaving shortly for California.

Mr. Howard Vanaalstine left for Victoria, B. C. last week. He will visit with his sister Olive while there.

Some of the local hunters report a swell trip last week. They returned with their quota of birds.

We are glad to report that most all combining and threshing is finished in the District.

We are certainly getting our Indian Summer. Thanks to our weatherman.

Kenneth Robinson of Ladner, B. C. was a week end visitor at the Van Der Velde homes.

HERVEY

— BY M. W. L. —

Bill Sadler and Leslie Kent are away hunting big game these days.

Miss Joan Barbor did not attend the Teachers' convention held Monday and Tuesday but taught school instead.

Threshing is pretty well cleared up around here.

Mrs. Bill Sadler has just returned from a visit to her parents at Alix, Alberta.

Victor Stockdale, Glavin Laycraft, and Violet Hoop visited High River and Blackie Tuesday and Wednesday of this week.

Meeting of Local Municipalities

A meeting of representatives of the Municipal Districts of Shepard, Beddington, Springbank, Keoma, Blackfoot, Bow Valley, and Grassvold was held on October 21st in the Council Chambers of the City-Hall, Calgary, Alberta.

The Hon. Lucien Maynard, Minister of Municipal Affairs and Mr. A. Souter, Deputy Minister were present to give interesting addresses.

The matter of a Full Time Health Unit was again brought up for discussion and a very interesting talk was given by Mr. N. S. Clarke of Didsbury, Mr. Clarke stated that their first attempt, like our own met with opposition but that after a year of successful operation all were now satisfied with the results and benefits derived from the Health Unit. It is to be

FOR VICTORY

ESTABLISHED
and
RELIABLE

Roberts Meat Market
PHONE 25 — STRATHMORE, Alta.

hoped that those now opposed to organization of such a Unit in our Local Districts will give the matter further consideration and that we may see the start of a Full Time Health Unit in the very near future.

It was learned from the meeting that the C. P. R. line from Langdon to Irricana will remain open until such time as the present wheat situation is remedied.

Resolutions were drawn up on the following, to be forwarded to the Con-

vention of the Municipal Districts to be held in Edmonton early in November.

Use of Purple Gas., Federal Gas. Tax, Wheat Acreage Reduction and Ensuing Agriculture Policy, Control of Trucks using Municipal Roads and Bridges.

WAR SAVINGS CAMPAIGN

THE second appeal for all loyal citizens to buy War Savings Certificates to the limit will be made in Strathmore District during the coming two weeks.

While Britain's position is much stronger today than a year ago, this is no time, for slackening in our efforts to successfully consummate the fearful conflict now raging.

While we deplore war and all its

hideousness to the extremest point, we have no alternative now but to see the thing through to the overthrow of Nazism with its deplorable and barbaric cruelties. So equipment of all kinds is and will be constantly needed to equip our men, boats, airplanes, hospitals, etc., etc.

This all requires money. Hence, give to your limit when the canvasser calls on you.

NAVY WORK

THE custom is growing to set aside a week designated to some special activity or group to receive special attention by the public at large.

For instance we have—

Fire-prevention Week,
Press Week,
Book Week,
Educational Week,
Week of Prayer, etc., etc.

This week is known as Navy Week. The Navy is one of the most powerful forces in the world by which the extension of civilization, commerce, education, missions and the intercourse of peoples of various lands has been made possible.

The Men of the Navy— they who go down to the sea in ships preserve a tradition started before the days of Nelson, for devotion to duty and unselfishness in the face of extreme danger, unexcelled by any other group.

The power and might of Britain's Navy have preserved the Empire's outposts on the Seven Seas against the force of enemy nations.

May her power never wane.

— "V" —

The Health Unit Again

WE read in the Edmonton Letter of this week prepared by Mr Dan E. Campbell, Publicity Commissioner of the Government that Health Units are continuing to be established in Alberta.

One has been established in Holden and another is contemplated in Ponoka.

One year ago last August there was held in the Memorial Hall in Strathmore a meeting to discuss the establishing of a Health Unit in this district. The feeling at the meeting and after was most enthusiastic. But later snags seemed to appear in the minds of some which placed a damper on the proceedings. We believe these objections are not of sufficient moment to offset the plan.

The Health Unit is recognized as a progressive beneficial health movement and as such should be established.

Pot Pourri

As the nights pass, so pass the days,
The year itself passes.
Again I hear the rustling
Of autumn leaves.
The light of my eyes is fading.
Memory is in the heart asleep.
Everything sleeps,
And I know not
If I live or am already dead.
For so aimless
I wonder in the world,
No longer weep nor laugh.

Pate; Where art thou?
Pate; Where art thou?
There's none of any sort!
Dost grudge me good fate, O God?
Then send it bad, as bad.

Leave me not to a walking sleep
With heart like the bear's
In wintry den;
Nor yet like rotten log

On earth to lie;
But give me to live,
With heart to live
And love the people.
If thou won't,
Let me curse them
And burn up the world.

Terrible it is to fall
Into dungeons,
Yet much worse to sleep
And sleep and sleep
In freedom;
To slumber for an eternity
And leave not a footprint behind.
All alike—
Whether one lives or dies.

(The national spirit of the Ukrainian people smouldered through many generations of Russian oppression. That it was never extinguished is shown by the work of Taras Shevchenko, the greatest Ukrainian poet who was exiled by the Czar throughout the best years of his life. Above is a translated extract from his poems).

A.T.A. MEETING

Teachers of the Strathmore Sub-Local of the A. T. A. held their organization meeting in the Strathmore High School Wednesday evening, October 15th.

The meeting was very well attended and the following slate of officers were elected to form the 1941-42 Sub-Local Executive. President, Mr Norman Bragg, Principal, Namaka; Vice-President, Mr Worgel, Principal, Carleton Place; Secretary, Mr Crellin; Press Representative, Mr A. R. Trimble; Councilor, Mr Crowther.

The teachers then voted that the Sub-Local fee would be 50c. This amount to be in addition to the \$2.00 refunded to the Wheatland Local from Provincial A. T. A. fees

Mr Crowther then, as chairman of the negotiating committee gave a detailed report on negotiations leading up to the acceptance of the new teachers' salary schedule. He pointed out that the new schedule is an improvement over the old in many ways, and that though a few of its features leave much to be desired it constitutes a step in the right direction.

The nature of programs and the locations at which these might be held came up for considerable discussion. The next of these is to be held in Carleton Place, Wednesday, November 12. All members are urged to be present.

NOTICE

to our Customers

DUE TO WAR MEASURE RESTRICTIONS ON THE SALE OF GAS, OIL AND LUBRICATION. AFTER NOVEMBER 1st WE WILL CLOSE AT 9:00 P. M. INSTEAD OF 11:00 P. M. THE RUSSIAN SITUATION

This is the question that is uppermost in the minds of all today. The Lethbridge Herald gives the following interesting analysis:

Can Russia hold on? That is the question on the lips of everyone as the Germans hammer at the gates of Moscow. What recuperative power will Russia have if the worst comes to Moscow? Will the British and Americans still be able to aid them in quantity, and if so, will the Russian economy stand up under a prolonged war? The questions are naturally asked because of what happened in France when Paris fell. France crumbled, bowed to the enemy and is today a vassal state with a puppet government. But France at the time was honeycombed with intrigue and her people were not imbued with the desire to fight. France quit when she could have fought on, France quit because she thought it was all over.

To the Russians the comeback of the British after Dunkerque has been

an object lesson. Determination to fight to the last ditch characterized the British people after the world thought all was lost. Today Britain is stronger than ever she was. It is believed the Russians are imbued with the same fighting spirit, and that, no matter what happens, they will fight on and on, to the Urals and beyond, drawing upon their 170,000,000 people to oppose the Hun to the bitter end. There is plenty of good fighting material yet in Russia if it can be equipped, and the war on the east is likely to develop into one of attrition, with the Russians forcing the Germans to spend men and materials recklessly, using their oil supplies over long lines of communications, wearing out their motor-driven equipment in a gradual retirement beyond the Don and the Volga to the Urals. And in the Urals, we are assured, the Russians have been building up a great industrial area for just such an event. With what help Britain and America

may be able to send via Vladivostok and the Persian Gulf, and with the aid that a growing and powerful British army under Gen. Wavell can throw into the fight for oil in the Caucasus, Russian millions fighting for their lives against the slavery of Nazism can deal Hitler a lot of misery in the long months ahead.

America is aroused. The torpedoing of the Kearny, an American destroyer of the latest class, has left no doubt about the fighting spirit of the American people. They know now that the Nazi plot is aimed at America's heart as it is at Britain's. They know now that it is a case of fighting together with the rest of the democracies or fighting alone later. All the Lindberghs, Wheelers and Nyes cannot make them believe otherwise today. As one senator put it Friday after the news of the Kearny torpedoing was made public a "damnable plot" against the world stems from Berlin. The question of arming of American merchant ships was dwarfed into insignificance by the news from the Iceland front.

Fortunately for the world, the huge

● Our fighting men need the weapons of war—need them at once. They must be provided. It is our responsibility. War Savings Certificates are within the reach of all. More regular purchases of War Savings Certificates means more war weapons for our forces. Push their sale wherever and whenever you can. Don't wish for a short war—get busy and shorten it.

SERVE BY SAVING!

American defence production program is beginning to roll in real earnest. The factories are built and tool-ed, and the equipment is coming off the lines. Not in anything like the volume that had been hoped, of course but each month sees production climbing to all-time highs. Every three months production is doubling.

There is no longer any doubt that this is a world war in very truth. The battle of internationally organized political systems is on. The Nazis have the advantage of having chosen the time. But they have not the advantage in ultimate potentialities. The long view economics of a world war all stand against the Germans

LANGDON

— By M. E. M. —

Langdon, Indus and Cheadle friends honored Miss Rhoda Kier with a farewell party on Saturday evening, Oct. 4th in the W. I. Rooms. Miss Kier was presented with a purse of money from those present who all wished her the "best of everything". Rhoda has gone to Toronto to take a five-weeks training course in the C.W.A.A.F. A program of songs, music and a quiz, then refreshments concluded a very happy evening.

Mrs. J. Brander has been visiting her sons, Sandy and John, at Sunny-slope.

Mr and Mrs T. M. Forster left on Thursday for Victoria, B. C. where they will spend the winter. They will be at Hopkin's Landing for a month or two first.

The School Fair, postponed for two weeks because of the weather was held on Saturday. The exhibits were very good, but the attendance was small, as so many farmers were threshing.

THE WEEK IN EDMONTON

(BY DAN E. CAMPBELL)
(Director of Publicity)

● Facts About Cancer, No. 2—

About 95 per cent of cancers of the
stomach occur between the ages of 40
to 70. Symptoms which demand an
early visit to the doctor are—

1—An "indigestion" which appears
in an adult and persists for any length
of time.

2—A "hunger-like" distress in the
upper abdomen one or two hours after
eating.

3—A change in the character of
"chronic indigestion" which has been
suffered for years.

4—No definite indigestion but a
gradual loss of weight and strength.

5—In some few cases, vomiting as a
first symptom.

6—A few may complain of a very
definite dislike for meat.

The persistence of any of these
symptoms over a period of time de-
mands investigation.

Don't take "indigestion" too lightly.
Soda and other so-called digestion
cures will not cure cancer of the
stomach.

The Master Key to success in the
treatment of cancer is EARLY DIAG-
NOSIS. Patients who have come to the
Alberta Diagnostic Clinic have had
their symptoms on an average of one
year.

That is TOO LONG.

● In the credit union field, 40 unions
of persons having a common bond of
interest have accumulated \$137,819
in 34 months of operation. Of this
sum, \$115,936 was out on loan at the
end of August, \$15,824 was on hand,
and \$5,337 was invested, largely in
war stock. Total membership is given
as 4,163. Throughout the country 26
unions are in process of formation,
and it is stressed that with proper or-
ganization, the number can be increas-
ed materially. Recent additions to the
credit union family are Macleod Sav-
ings and Credit Union and Calgary
Municipal Railway Employees Credit
Union. New students of the idea in-
clude Edmonton Police Force.

● Warning to farmers against pur-
chases of poultry for breeding or lay-
ing stock which may carry pullorum
disease was broadcast by the Alberta
Department of Agriculture this week.

● Health Units—

Bringing the total to eight in the
province, two new health units have
recently been established under the
direction of the Department of Health.
They are at Hoiden, comprising the
Hoiden school division, and at Clover
Bar. Technical staff of this latter
unit will be located in the Qu'Appelle

Building, Edmonton. Object of the
unit system is to bring medical ser-
vices on a par with urban centres to
the rural areas organized. A medi-
cal officer and nurses are full time
staff members, concerned with all
phases of public health. It is report-
ed that Ponoka district is also con-
sidering adoption of the unit plan.

● Good Roads.

Annual convention of the Canadian
Good Roads Association may be held
in Alberta next year, if an invitation
extended by Hon. W. A. Fallow at the
recent Niagara Falls convention is
acted upon by the executive. On
his return to Edmonton, Mr. Fallow
said the convention had adopted his
suggestion that Ottawa be urged to
establish a National Highway Commis-
sion to investigate and report on high-
way projects. During the forthcom-
ing year, the minister will be an ex-
ecutive member of the association.

● New Oil Fields—

"One thing is certain. We have to
get all the oil we can out of Alberta."
Thus G. R. Cottrelle, Dominion oil
controller, revealed that the greatest
exploratory program in Canadian his-
tory is under way here. "A tremen-
dous amount of work has been done in
mapping out prospective fields and
what remains to be done is to drill
wells," added Mr. Cottrelle. "It would
give me a lot of peace of mind and
some pleasure if they would get busy
and drill wells in the Vermilion and
Battelle fields. Those people who
have lands under lease had better go
to work on it."

● Short Course At Brooks—

An Agricultural Short Course will
be held at Brooks on Thursday and
Friday, November 6th and 7th. This
event is being arranged by the De-
partment of Agriculture and the
Brooks Board of Trade. The meetings
will take place in the Brooks Theatre
and will feature various problems con-
nected with the live stock industry.

A section for the ladies will also be
held. During the afternoon of Thurs-
day, November 6th, Miss Vera D.
Richards, Lecturer and Demonstrator,
Extension Branch, Department of Agri-
culture, will discuss "Cooking the
Cheaper Meat Cuts" and will give a
demonstration on "Household Aids to

B. C. ELECTION

Contrary to expectation the Patullo Government has suffered an inglorious downward slide in the Tuesday Election.

The C. C. F. have made strong headway.

C. C. F. Leader Winch states that it is inevitable that the Liberals and

Conservatives should unite to form a government. It is obvious that no party will have a sufficient majority to form a government and in the present war crisis it would not be in the national interest to hold another election.

Premier Patullo can attribute his downfall to his opposition to the Sirs report.

Y. P. U. ORGANIZE

Wednesday night, a group of the young people in town gathered in the basement of the United Church, and got things going for the coming year. Officers were elected, and the new executive consists of President, Jean Forgie; Vice President, Ken Sarsons; Secretary-Treasurer, Irene Willson; Imm. Past President, Frances Gray; mentor, Rev. S. B. Hunt.

Following a discussion of meeting night, and sundry other points, the group decided that it would be in order to hold only an executive meeting next Wednesday, and to call the whole gathering together again in two weeks. The secretary was asked to get membership cards from the Young People's Union, and to arrange for other material.

After the business meeting, short games were enjoyed and refreshments were served.

TUDOR

— BY N. C. H. —

Well, it did come. The good spell of weather. Just as our more faithful friends said it would. We must confess, we had begun to doubt, ourselves, whether the sun could shine again. After looking out day after day upon dark horizons. Horizons festering with storm clouds. But with a cleavage as definite as it was surprising; Dame Nature lopped off the weeks of dampness, and depression, tossed them into eternity, and swung her censer of sunshine beneficently, and generously over field and fallow. Over swath and stook. So, now, once again, combines spew out wheat; trucks rattle along elevator highways, spirits sing, and the harvest is under way to completion. And my faith is renewed. Mother Nature will always "come through". I should have known.

Yesterday morning, the sumerful field to the southeast was grey. With what? The greyness rose. Circled. Sorted itself into order. Into patriotic Vee signs. Millions of wild geese. Just watch them go. What a thrilling sight. What order. Whence comes the instinct? What plane of consciousness do they react to? And is there another plane of consciousness beyond us, that wonders at us? And would Hitler just look from that imaginary plane, like a wild goose, out of line?

Anyone with a feeling for stars, can enjoy them these grand clear nights, without the indignity of having their shirt tails flapping in the frosty air. By staying right in bed, and looking out of the bedroom window. What a power it is, that brings the same ones to the same place every night without fail. Every night this week Sagittarius has been framed in the upper frame of my bedroom window, above my neighbour's roof top. He is the little saucepan, like the one I keep for boiling milk. You see him in the S. East. The handle hangs down, so that all the milk would run out. The bottom is three bright stars, slightly at an angle. You cannot miss him. Last winter, he used to be over the chicken house. That was late in the winter. He has a long way to go, yet, to get back there.

We hope the ceiling that our Prime Minister has ut on our house of prices, is rainproof, and weatherproof. For everybody's sake. There is no doubt that our currency was quite affected by the rains of inflation, and the Prime Minister was wise to put the roof on, before it was damaged irreparably. Of course, we can all do our bit to keep the roof from being

SCOUT NOTES

A meeting of the Group Committee held on Friday night showed more promise of success than have any of the meetings for quite some time. The report of the secretary showed that the Group has been registered for last year at the Provincial office, and also that the Group is in good standing financially.

Following a discussion concerning leaders, Mr J. Riddoch accepted a position as Assistant Scout Master, and A. S. M. Chack MacLean was moved problem was debated, and a committee was appointed to secure one in the near future.

The Group decided that they should go ahead with the poppy sale again this Armistice Day, as it has met with a good deal of public support in the past.

blown off. We can spike it down with the nails of doing without. Doing without every single thing that isn't absolutely necessary. If the roof flies off, after that, it won't be our fault.

My little prayer for today. "Please God let me love my country like a Russian."

Local News Items

Mrs Care of Philadelphia who has been a guest of Mrs A. Pierson for the past month was a charming hostess when she entertained at Luncheon and Bridge in the Palliser Hotel last Thursday afternoon. The table with its beautiful roses, with feasts of smilax novel favors, and artistic place cards was the admiration of all present. Following a delicious lunch, bridge was played at five tables and some keen games enjoyed. Winners of the pretty prizes were, high, Mrs T. E. H. Patterson, two travelling prizes, Mrs Whiteside and Mrs Sorensen, consolation, Mrs Wilda Suffel. In the late afternoon the guests said their Goodbyes, having enjoyed a very happy time.

Mrs Care presented Mrs Pierson with a very lovely token in appreciation of her many kindnesses.

Mrs McGregor's home was the rendezvous for a happy group of friends of Miss Hazel Short Thursday evening last, when Mrs McGregor, Mrs Lounsbury, Mrs Fred Holmes, Mrs Elmer Gray and Miss Francis Gray arranged a miscellaneous shower in honor of Hazel whose marriage is an event of the near future.

A huge wedding cake decorated in pink and white contained the many lovely gifts, which were presented to Hazel by Mrs Elmer Gray, on behalf of all present.

Mr and Mrs E. Fred Thurston and son Robert of Wainwright, have arrived in Strathmore, where they will reside in future. Mr Thurston having purchased the old established business of The Lambert Drug Store. Mr Thurston solicits a share of your patronage.

Mrs A. Heckle was hostess at a very enjoyable Bridge Luncheon Monday at her attractive home when her guests of honor were Mrs Care and Mrs Fred Saunders. Following a delicious luncheon four tables of bridge were arranged and some interesting games enjoyed, resulting in prize winners as follows. High score, Mrs Wilda Suffel, 2nd high, Mrs T. S. Hughes, Consolation, Mrs Patterson, with special gifts for the honor guests.

Mrs F. Jones, Frances and Mrs Marcum were hostesses at the home of the latter, in honor of Mrs A. B. Polley, (nee Alice Garrett), on Monday evening. The evening was spent in playing contests, the winners being Miss Frances Gray, Mrs Short, Mrs G. Anderson and Mrs Polley. After lunch Mrs Jones presented Mrs Polley with a two tone blanket, the gift of the assembled guests.

Leonard Wheeler has decided to study pharmacy and is apprenticed with Mr T. E. H. Patterson in the Rexall Drug Store.

Hugh Berry and Mrs Gladys Morgan have as their guest their aunt Mrs Jenkins of Pincher Creek.

The Sorosis Bridge Party met last Friday at the home of Mrs H. A. Willis. This week they meet at Mrs Van-Tighem's home.

Mrs Crossley paid a brief visit to Strathmore friends Monday en route to her home in Vancouver.

Lt. Leslie Hand has been transferred to the 39th Bty. at Lethbridge, and Mrs Hand and baby will leave for the southern city as soon as they can secure living accommodation.

Rev. and Mrs Brown of Trochu were overnight guests Monday of Rev and Mrs Hunt.

Sgt. G. P. Tyson whose tragic death occurred in Calgary last week was employed and enlisted from the C. P. R. Farm at Strathmore and not Lethbridge. Sgt. Tyson's wife came from Lethbridge, and the sincere sympathy of Strathmore friends is extended to Mrs Tyson in this sad accident.

Pte. Graham Tench is enjoying two weeks leave from an Eastern point, which he is spending in Winnipeg, Vancouver and Strathmore.

Visiting ministers with members of their families, from Gleichen, Carleton Place, Trochu, Langdon, Springbank and Calgary, gathered for an experience of good fellowship, at the home of Mr and Mrs Hunt on Monday afternoon to the number of two dozen. Some ladies of the local congregation assisted Mrs Hunt in providing refreshments.

United Church Sunday School meets at 11 a.m. October 26, Morning church service also at 11 o'clock.

Miss Rhoda C. Kier who had been engaged as teacher at Advent in the Wheatland S. D. has obtained leave of absence and she with 150 other young women have joined the C. W. A. F. These young women left Calgary for Toronto Monday night. They will enter the Haverall training school for the initial training in the administration branch of the air force.

Ky Christensen had the misfortune to fall out of a truck last week dislocating his shoulder bone badly. He will be laid up for several days, before being able to return to work with the McGregor Construction Co.

At the recent Teachers' Convention in Calgary, Officers for the A. T. A. in the Wheatland S. D. are, President, S. H. Crowther; 1st Vice President, M. Workman; Sec. Treas., W. R. Eyles.

The regular executive meeting of the Strathmore Red Cross was held Monday at the home of the President, Mrs Patrick.

Mrs Gladys Morgan invited a number of friends to her home Wednesday complimenting Mrs Care, Mrs Fred Saunders and Mrs Griffin. A very delicious luncheon was served at a prettily appointed table, after which five tables of bridge were arranged, some interesting games resulting. Winners of prett prizes were, high, Mrs Van-Tighem, second, Mrs J. Downey, consolation, Mrs Porteous, Travelling, Mrs Tommy Chamberlain, with special remembrance gifts for the guests of honor. It was a very happy afternoon.

High prices were realized at the stock sale held in Calgary this week. Cattle and sheep from the Strathmore C. P. R. Farm made a good showing.

ENGAGEMENT ANNOUNCED

The engagement is announced of Florence Iola, younger daughter of Mr J. Cleeve and the late Mrs Cleeve, of Strathmore, to Joseph Gaylon, elder son of Mr and Mrs J. W. Robison, of Strathmore. The marriage will take place early in November.

W.M.S. Thank Offering

The W. M. S. Autumn Thank Offering Tea was held at the Manse on Thursday, October 16th. A most inspiring and interesting talk was given by Miss Elizabeth Hawken, Strangers Secretary, who told us about her work.

The major portion of her time is spent visiting the sick in the various Calgary hospitals, her visits averaging about a hundred a week. This insight into the branch of W. M. S. work was very illuminating, very few of the members realizing the extent of this work.

In addition to her visits to the sick Miss Hawken writes letters, carries messages, locates distant relatives, and performs much helpful work that is little known about.

SCHOOL NOTES

During the three weeks that War Savings Stamps have been on sale at the School the children have invested \$23.70.

Teachers who still have School Fair work at the School can get the same by calling at the School or informing the Secretary where they wish it to be left.

It is hoped that all teachers will attend the School Fair meeting at 8 p.m. November 5th and bring others interested with them.

NO COUNCIL MEETING

Though Tuesday was the regular Council meeting night, no meeting was held owing to pressure of other business for the councillors. Hence there was not a quorum present. These present discussed the wheat situation, the political trend, latest legislation and duck shooting, heaved a sigh of relief and adjourned.

KEOMA STORE IS RAZED BY FIRE

Keoma—The Keoma Service Station, an oil truck, grocery store, hundreds of pounds of binder twine and several oil drums went up in smoke last week in the worst fire this town has ever experienced. The damage is estimated at \$10,000.

An oil truck driver, whose name could not be learned, drove up to the station about eight o'clock to adjust a plugged gas line. It is believed the gas in the truck tank ignited. The flames caught the store and service station and in a few minutes the frame structure was demolished. There are no water facilities in Keoma other than wells, so a small bucket brigade was formed but its efforts proved useless. Nothing was saved but the front portion of the truck.

Paul Ekstrom, owner of the station and store, carried no insurance.

Mrs Folk of Carmangay is visiting her daughter Mrs W. E. Mercer and Mr Mercer during the week.

Mrs T. E. Wright is enjoying an extended visit with her sister in Edmonton.

George Maybee of Calgary spent the week end with Dick Ruppe.

Business ANNOUNCEMENT

We wish to announce The Lambert Drug Store is now under new management, having been purchased by E. Fred Thurston, of Wainwright, Alberta.

Mr. Thurston has been dispensing Druggist in Wainwright, for the last Thirteen years, and as a qualified Druggist solicits a share of your patronage. Come in and let us get acquainted.
